The seasons
fell on top of
each other in
their eagerness
to expose
themselves to the
world.

And so it was
with us, trying to understand the
perpetual urge to respond to every stimuli.
We stumbled, crawled, and ran; seeking
to name what for many remained only
an unconscious feeling in the back of
the mind.

Struggling to bring to a surface the
response which tells the story of this
year; Parry McCher High School
presents:

Response to a Winner
the 1975 Parrinac

Rain, rain,
rain, and more
rain. It rained
until we thought the
sun had been drown.
Then all of a
sudden rosy dawn
climbed over the horizon.
As the day wore on the
sun, a flaming sphere of
color, blazed high above
us.

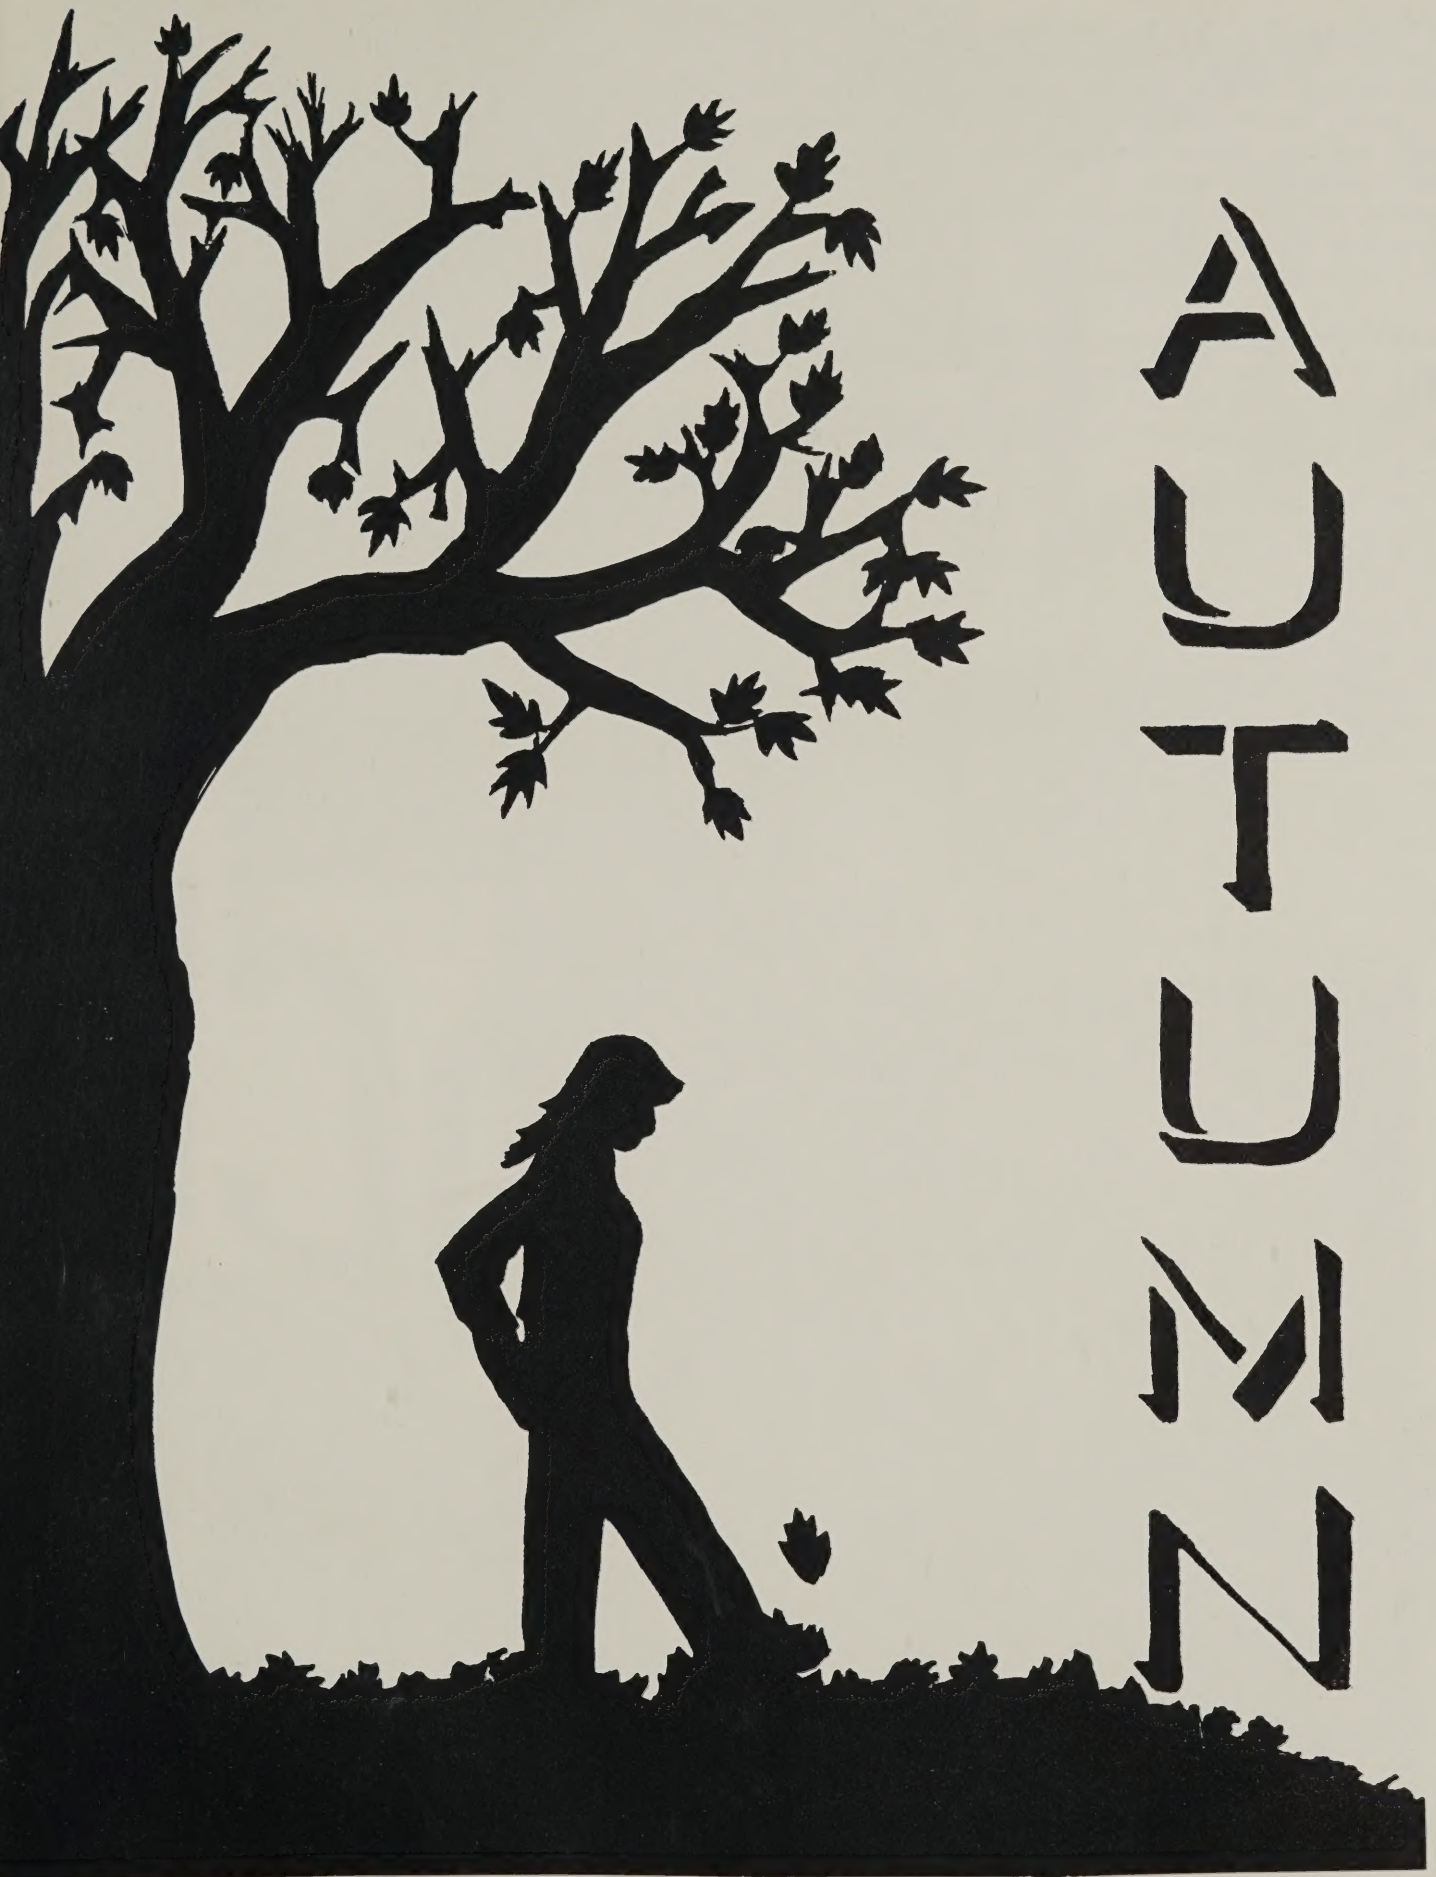

Its warmth did not
go unnoticed. Some people
were content to worship it from
afar, while others raced to
bask in its radiance.

Many days the sun
did not come out in full
glory but preferred to peek
out from behind gray clouds,
giving us reassurance of
better times.

Since 1973 our world
of Parry McCher High School
has been warmed and brightened
by a person who glows with
laughter and vitality like the
sun itself.

We offer
our humble
thanks and
dedicate the
1975 Parrimac
to Mrs.
Peggy
McHuire.

The fall air was filled with the music of the times and Parry McCluer's auditorium and gym were filled with waltzers, jitter-buggers, square dancers, people doing the "Monster" and the "Bump" and people just plain tapping to the music.

A Homecoming Dance, on October 4th, highlighted the football game. Everyone was doing his thing with music provided by **Voyce**.

The DECA Club sponsored a sock hop in the gym to raise money for their organization. While they raised money, everyone else was raising It proved to be a successful dance!

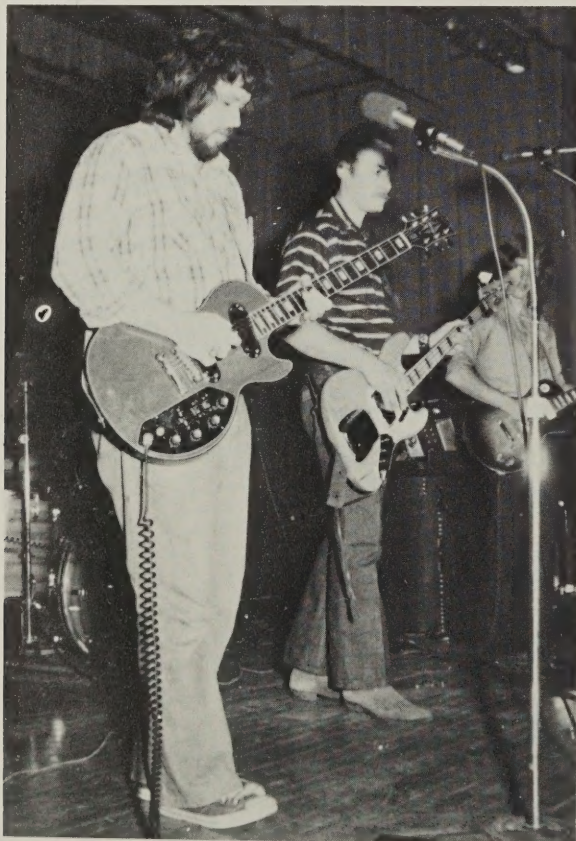

It seems that every Junior Class lacks some money that they need in order to sponsor the prom and this year's class was no exception. So to help themselves out a bit, the Juniors gave a sock hop which was DJ'ed by **Darby James** of W.R.E.L. Radio.

The Parrimac staff presented a new type of dance; they called it the **Necking Dance**. Price of admission was the width of one's neck times ten cents. Everyone then had to select his or her favorite paper tie before entering the dancing area.

The students responded to the Rock-n-Roll music, danced their way through the fall, and proved that "the beat goes on".

Happy faces reflect the mood of the dance.

You mean to say that he gets paid for that?

Black Paces Blues In Win Over Wilson

After spotting Wilson Memorial a 7-0 lead, Parry McCluer used a swarming defense and the running of Bruce Black to capture a 19-7 win Friday night at Fishersville. The win was the second straight of the year for BV and tied the Blues with Riverheads and upstart Natural Bridge for the Alleghany-Highlands lead, all with 2-0 marks.

The script for the BV conquest of the Hornets read much like last week's 13-0 win at Rockbridge. Black ran for one score, caught a pass for another and generally mystified Wilson in pacing the Blues to 215 yards rushing.

Mike Clements led the defense charge that saw BV halt all Hornet offensive efforts and permit the hosts a mere four first downs and a total of 51 yards total offense. Only a BV offensive miscue enabled the Hornets to score.

That came early in the second period to break up a scoreless defensive duel. The Blues fumbled on their own 18 yard-line, and four plays later Richard Baldwin tallied on a 21-yard passplay. The PAT kick made it 7-0.

That also aroused the Blues

scrimmage to make it 7-6. Barry Staton punched through the PAT kick for a 7-7 knot.

Three minutes later, quarterback Tim Petrie and end Kenny Smith collaborated on a 45-yard passplay that moved the Blues to the enemy 14. Fullback David Austin bucked in from the five three plays later and BV had a 13-7 margin it never relinquished.

The BV defense set up the game's final score as an interception halted Wilson at the BV 40. The Blues marched down before a play that had stalled Petrie the Black who ended one to yard pass margin.

That came minutes later, in the third period, and trolled play away. Wilson in the final control ate most of the

It didn't take Rockbridge very long to discover that being the defending champion is a heavy load to bear. Saturday night on the Rebels' field, Parry McCluer laid its claims to this year's title by laying a 13-0 defeat on the 1973 title-holders.

Hard-hitting and opening-game jitters accounted for generally sloppy offensive play, but solid defensive efforts by both teams and some wicked tackling provided thrilling action for perhaps the largest crowd ever to witness a battle at Rockbridge.

This is the first time in recent memory that such a key game has come on the season's opener for area schools, as the Alleghany-Highlands crown may have

Black who crossed the goal line untouched. Barry Staton slugged the PAT through the crossbars for the 7-0 margin that was to be all BV would need.

The game's only other score came with 8:38 to play and was the result of a 41-yard drive following a Rockbridge punt from the Rebs' own nine. BV displayed the only consistent offense of the game on that short drive, getting two first downs and reaching the Reb seven.

A bobbled exchange put the Blues back to the 14, but from there Bruce Black swept left end for the score and a 13-0 margin. The PAT was flubbed, but BV had the contest under control.

Except for these two

dozen yards down to the Blue 28. His teammates took advantage of this golden opportunity by fumbling the ball back to the Blues on the next play.

The teams just couldn't get started in the third period as rugged defense and a couple of holding penalties hampered the offenses. Most of the period Bru returned a punt 1 the Reb 32, but BV but one first down stalling at the ene

Black Has Four TDs In 42-7 Romp By BV

Parry McCluer registered his sixth straight win of the year Friday night by clubbing the Chargers 42-7 at Bath County. Shifty Bruce Black crossed the enemy goalline four times to head up the onslaught that amassed 412 yards total offense.

Black netted 141 yards on just 12 carries from scrimmage, and he added some 100 additional yards on returns to keep the BV offense in good position. Meanwhile, the Blue defenders were harassing the Chargers' offense, allowing only 24 yards on the ground and 84 yards total.

BV got on the scoreboard first when Black returned a Bath punt 31 yards to the BC 39 three minutes into the

game. Three plays later, little Jay Brown buzzed 15 yards for the TD, and Barry Staton booted the PAT for a 7-0 count.

Another two minutes saw the score jump to 14-0 when Black zoomed through the entire Bath squad on the way to a 60-yard touchdown punt-return, with Staton supplying the PAT.

After that score, Bath displayed its only offensive thrust of the night when a passplay was good for 36 yards to the BV 22. That one play accounted for nearly half the Chargers' total offense. Three plays and two penalties against the Blues moved the ball into the end-zone, with Watkins going a

yard for the TD. Smothe PAT cut the gap to 14-7, that was the only time B was in the game.

While the BV offense sputtered some in the second period, the Blue defense completely controlled the battle, setting up the next score by blocking enemy punt at the Bath 0. Black punched in from the for a 20-7 count.

Late in the first half, Blues moved to the Charger 12 before stalling, but Staton boomed a 29-yard fieldgoal to send the halftime score to 27. The second half was all Blues as Bath netted but one first down and had minus yards rushing.

Parry McCluer Captures A-H Championship 20-12

by N-G Staff writer

Parry McCluer used the running of Bruce Black and a big second-period passplay to derail previously unbeaten Riverheads 20-12 Friday night in Buena Vista.

BV's win gave the Blues the Alleghany-Highlands title, setting up a post-season

Saltville for the regional crown and the right to advance further in state play-off action.

With the victory, the Fighting Blues gave BV faithful a superb 50th anniversary gift, as the Blues recognized their first football squad, the 1924 team, in pre-game ceremonies. BV had

1971, the first year of the Alleghany-Highlands loop. This year the A-H is a larger and tougher league.

What most people figured would be a hard-hitting, defensive affair was just that, but the opening minutes of the game featured two scores, a total of 10 first downs and some 140 yards

to build, but crossing the goalline became very difficult.

Fired-up Riverheads began the game by taking the opening kick to its own 38, and turning bruising Ricky Sandridge loose, the Gladiators stormed down the field to score in less than three minutes. Sandridge had runs of 10, 18 and 13 yards, finally getting the TD from three yards away.

After missing the PAT, Riverheads was still up 6-0 very quickly, and the first time BV got the ball, Jim Cook covered a fumbled center snap to give the visitors the ball again at midfield. Sandridge immediately ate up four yards, and the home folks were suddenly apprehensive.

They needn't have been, however, as the defense halted Riverheads without another yard, and Chester Lineberry, David Austin, Jay Austin and Barry Staton supplied the spark. On fourth down, David Austin broke through to partially block the punt, and BV was in business at the Blues' 42.

Black rambled for 12 yards and David Austin for 18 as BV advanced to the 10. A pass to y Brown was intercepted by he ball 11, and 15 yard e off left 1 score. he PAT e.

Draft 11, and then Petrie plays fired to Black in the clear yards, near the goalline, and Bruccenand took it in for the score. second Another Staton PAT made it 20-0, and that was all the the BV scoring for the night.

The lone enemy threat on the came late in the game when center, the Cougars blocked a BV ously punt at the Blues' 46. Draft diators managed to reach the BV 12 nt. BV before time expired.

Those final seconds presaged the final hectic minutes of the game, as BV went to the air, but Riverheads' Larry Koiner picked off the ball and returned it 25 yards to the BV 41. With 13 seconds to go, Riverheads also tried a pass, but David Austin intercepted that attempt and returned it to the BV 36.

Three seconds remained, and everyone knew what was coming. Still, Bruce Black managed to break behind the enemy defense at the Gladiator 35. Petrie's long pass was really outrun by Black, and he slowed up to take it at the 30. Riverheads had time to recover, and with time expired in the half, Black was stopped at the Gladiator 20.

BV opened the third period by fumbling the ball away at midfield. Riverheads got a 13-ard passplay to Sandridge, the big fullback then ed for 11 more to put t. at the BV 22. Minutes later the Gladiators were in business again, as BV moved from its 10 to midfield, but suffered an interception. Wendell Gerdner returned the ball 21 yards to the BV 45. Using an end-around and a fair pass, Riverheads traveled to the BV 19 a minute into the final frame.

Two plays then lost six yards, and on third down, quarterback Terry Meeks scrambled for his life as the Blue defense put on great pressure. He found Cass Lawrence along the right sideline at the BV five, and he lofted the ball in that direction.

Trying to defend on the play, Bruce Black slipped down and Lawrence fielded the ball and tumbled into the endzone for the score. With the count at 14-12, Sandridge tried to sweep left end for the PATs, but Tim Petrie rushed up to make the tackle at the one, and that was all for Riverheads.

Black Paces BV To Homecoming Success

Senior halfback Bruce Black and a rugged BV defense combined Friday night in Buena Vista to halt Buffalo Gap 41-7 before a large homecoming crowd. The win, which does not count in Alleghany-Highlands standings, runs the Blues' mark to a perfect 5-0.

Black rushed for 164 yards on 19 carries, caught two passes for 57 yards and tallied three touchdowns, heading a BV offense attack that rolled up 367 yards on the winless Bison. Meanwhile, the Blues' defense holding Gap to just offense.

Three minutes later Black capped a 56-yard drive with a 14-yard sweep for his second TD. Staton made it 14-0. The BV defense had applied severe pressure to force a short Gap punt to put the Blues' offense in good

ended, but the stubborn Blue defense controlled play in the second half as BV scored three more times while the Bison did manage to halt two other BV scoring thrusts.

The first Gap stand came at the start of the third period when the Blues drove to the BG 16 before the visitors intercepted a BV pass. That Bison success did not last long, as following the Gap punt the Blues marched 52 yards to score. A David Austin one-yarder and another Staton kick set the

In the second half Draft went more to the air, but passing gained but 39 yards on six successful tries, finally turning the ball over to the Blues in good position.

Tim Petrie and Chuck Lewis teamed for an eight-yard passplay to start the final frame, and Barry Staton's kick sent the Blues up by 21-0. Becoming even more desperate, the Cougars immediately went to the air again, but Bruce Black picked a pass off at the Draft 44.

"Spirit of '76" ... Marches On

Inflation hit everyone hard including the Class of '76 but, their spirit kept them going. They had bake sales and sock hops. Two of their biggest money-making events were the Christmas Dance and a car wash.

You could feel the excitement in the air as the time drew near for their "rings" to come. When they finally arrived you could see each face glowing with pride.

It finally arrived; the day they had all worked so hard for ... The Prom.

Hey kids! Now this isn't history class but I have a date for you to remember; October 4, 1974. On this date the Fighting Blues of P.M.H.S. slaughtered the "Bisons" of Buffalo Gap and in doing so assured themselves of a Homecoming victory.

Shouts of "we're number one" came from the students and in truth were quite correct. The Fighting Blues went on to capture the District Championship title at the end of the season and advanced to the Regionals in Saltville.

The Homecoming court took the field during half-time of this eventful night and Lisa Scott escorted by David Austin was crowned Homecoming Queen '74-75"

S.C.A. Installation

In previous years the installation of S.C.A. officers for the oncoming year has been held in the spring. Due to the lack of time, much confusion, and extreme controversy it was decided that it would be best to have the installations at the beginning of the '74-'75 school year.

The installation program got underway in a combination assembly given by the N.H.S. and S.C.A. on November 16, 1974. In the traditional candlelight service, the old officers lit the candles of the new officers and then blew out their own. Each new officer signified his acceptance of his position in the '74-'75 S.C.A. by repeating the oath of office.

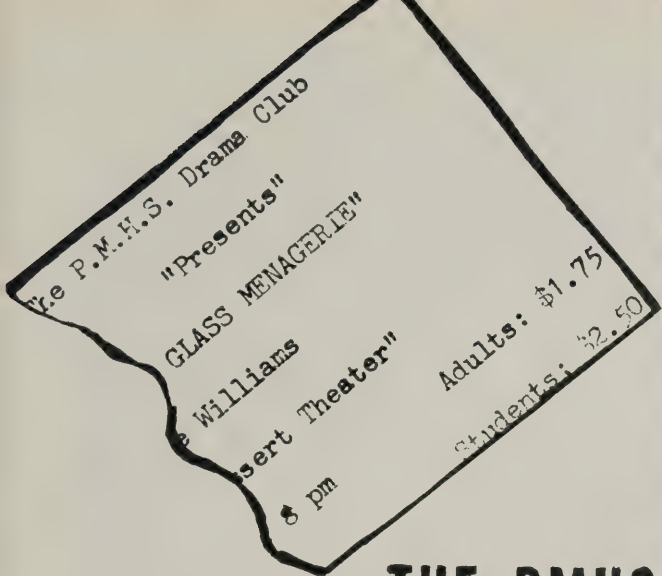

Leadership, scholarship, service, and character are the four qualities that are necessary in order for one to become a National Honor Society member. These qualities were explained to the students and faculty at a combination assembly given by the S.C.A. and N.H.S. on November 16, 1974.

After explaining the main features of the N.H.S., forty-one new members were "tapped in". In conclusion the new members signified their new honor by pledging their loyalty to the National Honor Society.

Janet says, "Come with me", as she taps a new member.

THEATER

The Glass Menagerie

By: Tennessee Williams

Throughout the high school years willingly or unwillingly most students at one time or another are exposed to Shakespeare. Rarely do the students get an opportunity to view first hand a professional dramatic reading of Shakespearean plays.

Thanks to the combined efforts of the Drama Club and the English department, on October 24, 1974 the South Carolina Theater Touring Company presented "The Worlds of Hamlet and Macbeth."

It was a fine performance and when asked how they like the presentation many students came back with the reply, "To be or not to be, that is the question." Obviously most students obtained some knowledge of a subject that they would ordinarily turn off to.

A little bit of Shakespeare

It was the Renaissance of Patriotism

It isn't often that a group of fourth and fifth graders can hold the interest of a high school audience. With the use of music, words, and film strips the presentation of "My Country Tis of Thee" did just that. We sat there astonished that these little people could not only educate us but move us to a deeper appreciation of "Our Country Tis of Thee".

Do-Re-Me-Fa-So . . .

Here we go round in circles.

It's sing along with the ladies, except the men aren't having much luck!!

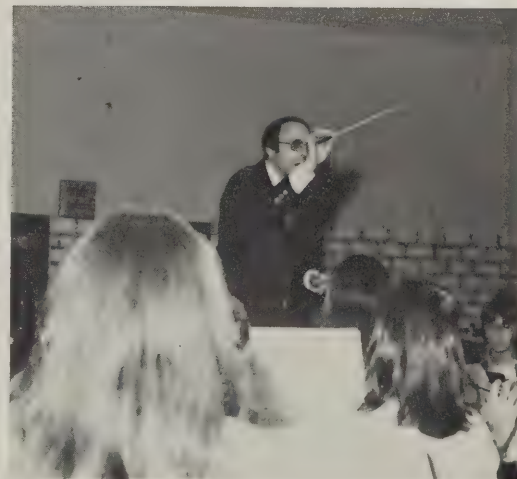

The musicians take a break as their fearless leader gets in a quick practice.

The Christmas season is a time of merrymet, misletoe, music and joy. This season all these things were put into a neat package and presented to the public as a Madrigal Dinner, presented by the P.M.H.S. Chorus, Concert Band, and other members of the school.

As the Concert Band and Chorus played and sang their way into the hearts of the audience; unicyclists and acrobats provided some laughter and a different kind of entertainment while allowing the digestion of the delicious feast.

Most everyone enjoyed the evening and after all, like the song goes ... "Tis the season to be jolly".

Highlights Talent

Mr. Temple does magical things with his wand.

The Marching Blues were at it again, stunning the spectators with their super half-time shows, and hitting the streets in route to parade victories.

They received many honors this year, one of which was a first place at the State Fair Marching Band Contest. The Marching Blues have become the Pride of the Commonwealth not only because of their hard work but also because of a music man who came here seven years ago to produce a super marching band. His dedication, concern, and love has allowed Mr. Temple to do just that. Mr. Temple wishes to pursue his musical career and thus will be leaving the Marching Blues this year. It will be a great loss to the kids who have served under him, but memories of his accomplishments will linger in the air as again the Pride of the Commonwealth steps onto the field next year to begin yet another marching season.

Looks like everyone is really "getting down" to music at these dances. Of course—everyone is doing it in their own style.

What did one do on a Friday or Saturday in the midst of winter in good'ole Buena Vista? Many of us hit the dance scene and enjoyed the variety of music presented by some hot bands.

The Foreign Language Club dance featured **Voyce** and taught the dancers some new ways of speaking the language of legs, hips and arms.

Then there was the Ring Dance which the Seniors graciously presented to the Juniors. The featured band called themselves **Evel** and their music was evilishly fun to dance to.

To top off the winter dancing the cheerleaders sponsored a Sweetheart Dance. The Group **Fragile** played some sweet music and the sweethearts in the bunch enjoyed every minute. What did one do on a Friday or Saturday night in the midst of winter of 74-75? We were rocking—rocking-n-rolling!

Fred Astaire, eat your heart out!!!!

Watch the birdie, group.

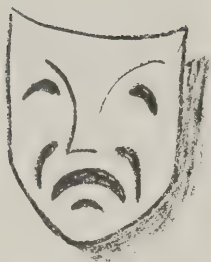

And, away he goes.

Having fun Mrs. Jernigan?

The West Virginia Tech Choral Dept. brought their talents to Parry McCluer in February of this year. Several numbers were presented by the Tech Choir and then the Tech Singers took the stage to present a variety of contemporary songs. Several of the students marched around the auditorium to the tune of **When the Saints Go Marchin' In**. There weren't too many saints in the group, but it was all in fun anyway.

To My Friends of "75"

Our time, it was our time.

We reached for the stars and found ourselves,
Dancing in the Moonlight.

We climbed every mountain and dreamed every dream
and followed a few rainbows, only to find there was,
No pot of gold.

Our time, it was our time.

We laughed a few laughs, shed a few tears,
became individuals with our smoking and beer.
We loved and hated together.

We searched seeking truth and studied seeking knowledge,
only to find that both existed to those who had already
found them.

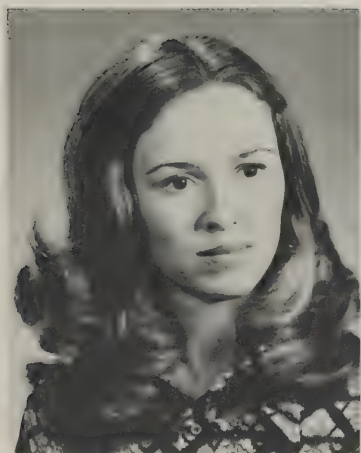

Our time, it was our time.

The memories linger as does the sweet smell of spring
and we fade away from another,

Go our separate ways—
Goodbye my friends and remember,
Our time; it was our time.
